

February Half Term Newsletter

Holiday Club

Our Feb half term fun started with adventures at Milton Country Park which consisted of man hunt in the woods and general crazy running around!

'Epic' was the film of choice for our cinema viewing at The Five Bells, this was followed by pancake games and some pancake flipping with only a couple landing on the floor!!

We had our first club visit to Tree Tops soft play which all the children loved and thanks to a fairly dry week we managed to get our first park visits in for some fresh air and football.

On the training day we were lucky enough to have Laurence from all4sports in for some fun sports games. Easter isn't far away now and we can't wait for lots of Easter Egg hunting action!

Breakfast & After School Club

We would like to say a huge welcome to all the new families that have joined us so far this year. It's great to have so many more children as part of the club and because of this we are excited to introduce Rebecca 'Becca' Perkins to our team. She is Level 2 Play work trained and a huge asset to the club.

Crafts & games still remain popular with everyone, especially a whole club game of 'Naughty Mary!'
